Shields Valley School District Complaint Form

The Board of Trustees established a Uniform Complaint Procedure under District Policy 1700 as a means to address certain complaints that arise within Shields Valley School District.

The Board of Trustees expects that most complaints will be addressed at the school building level. A person with a school related complaint is encouraged first to discuss the issue with the appropriate teacher, counselor, principal, with a productive and calm demeanor with the objective of resolving the matter promptly and informally. This complaint procedure may be used when an issue cannot be resolved informally or the particular concern does not fit within another policy of Shields Valley School District.

The District endeavors to respond to and resolve complaints promptly and equitably. The right of a person to prompt and equitable resolution of a complaint will not be impaired by the person's pursuit of other remedies. Use of this Complaint Procedure is not a prerequisite to the pursuit of other remedies and does not extend any filing deadline related to the pursuit of other remedies.
